Thank you to all those who took part in our recent feedback survey – a full breakdown of the surveys will be shared with you but in the meantime, here are some of the key changes we've already made, based on your feedback:

YOU SAID...	WE DID...
We like to read a comment from the teacher on the report	Added a Class Teacher comment section to this term's reports
There are not enough extra-curricular activities available for our children	Teamed up with SYL Sports to provide after-school clubs
We want more communication from school / don't always get the communications from school	Increased the number of posts on Google Classroom; sent home paper copies of some key documents and hosted a Meet the Teacher afternoon to share important information
